Inappropriate Behaviour:

When a student does not follow the School Rules and displays inappropriate behaviour, a set of actions will be put into effect.

(continued...)

1. A warning will be given to the student
2. The student will be asked to apologise either verbally or written depending on the severity of the behaviour
3. The student will be asked to re-do any work that the teacher deems appropriate
4. If inappropriate behaviour continues, the student will be placed in timeout / isolation either within the class or within a buddy class
3. The student will be withdrawn from continuing participation in the current lesson
4. Further inappropriate behaviour will result in involvement of the School Principal
5. Notification of Parents. The student's parents will be advised of the student's inappropriate behaviour

Punctuation and attendance are required for all lessons and related events such as concerts, performances, End of Year School event, Annual Greek Independence Day Parade and other School functions. Parents are asked to please notify teachers of any absence or lateness.

Students are asked to be in class for all lessons unless permission has been given to leave or to be collected earlier by the students' parents. The students are to remain on school property during school hours unless written permission is given by the parents to the appropriate teacher and/or principal. Parents take full responsibility for allowing their child or children to leave the school grounds.

Teachers will provide supervision of all students during class lesson times, during recess, before and after lessons and until parent pick-up.

Teachers will normally arrive 10 – 15 minutes before the commencement of lessons to provide supervision.

Parents will co-operate fully with the teachers in picking up their children promptly after school.
